Annexure-1**MANAGEMENT DISCUSSION AND ANALYSIS**

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during Financial Year 2023-24. This should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in the Integrated Report and Annual Accounts 2023-24. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Companies Act, 2013, as amended and regulations issued by the Securities and Exchange Board of India ('SEBI') from time to time.

GLOBAL ECONOMY

The global economy continues to show resilience despite facing several strong headwinds viz., the Middle East crisis, Russia-Ukraine war, high inflation, high costs and falling household purchasing power, escalating geopolitical tensions in the Middle East, and forced monetary tightening. al tensions in the Middle East, and the cost-of-living crisis in several economies. The International Monetary Fund (IMF) in its World Economic Outlook (WEO) April 2024 estimated global GDP growth at 3.2% for 2023, which was an upward revision of 0.1% point from its January 2024 update, driven by strong private consumption and government spending initiatives, particularly in the US and many emerging market economies. The services sector demonstrated strength, but manufacturing activity remained subdued.

China witnessed stronger-than-expected growth of 5.2% in 2023, with 2024 growth projected at 4.65%. Industrial overcapacity, continued slowdown in domestic demand, deepening deflation and heightened trade tensions with the West will remain major headwinds for China throughout 2024.

The economy is better placed now than at the same time in 2023, with the risk of a global recession receding. In late 2023, headline inflation neared its pre-pandemic level in most economies for the first time since the start of the global inflation surge. As global inflation descended from its peak, economic activity grew steadily, defying warnings of stagflation and global recession. The United States with some middle-income economies displayed strong economic performance, with aggregate demand supported by stronger than expected private consumption amidst still tight though easing labour markets. Continuing geopolitical tensions, including the Middle East crisis, Russia-Ukraine war and the upcoming US presidential elections pose a risk to dampen growth in 2024. Growth in the United States is expected to be 2.4% in 2024, while the Eurozone is expected to witness a minor recovery of 0.7%. Recovery in Europe will be driven by declining inflation and energy prices normalising.

INDIAN ECONOMY

India's economic growth has been resilient against global headwinds for three fiscal years now. Policy and regulatory support and prudence have helped, as has the gradual reinvigoration of the private sector. The Country's attractiveness as an investment destination remains robust, given the size and scale of operations it has to offer to global companies, abundant skilled talent pool, and prowess in technology and innovation. India remained the fastest growing major economy in the world in FY 2023- 24, with its real GDP estimated to have grown by 8.2%, according to the data released by the Ministry of Statistics and Programme implementation (MoSPI), compared to 7.0% in FY 2022- 23. This projection came in above the second advance estimates of 7.6% in February 2024, as the economy recorded 8% plus growth for three consecutive quarters on the back of the Government's continued spend on infrastructure and housing, robust private consumption and buoyant manufacturing and services sectors. The industrial manufacturing sector has experienced a

significant boost, attracting global technology giants to expand their supplier networks within India. This momentum is further supported by the implementation of state industrial policies that complement sector specific incentive schemes. Concurrently, substantial investments in logistics and infrastructure development, including the construction of new roads, highways, and rail tracks, underscore the Government's commitment to bolstering this critical sector. Capital spending by the Government and strong manufacturing activity have meaningfully contributed to the robust growth outcomes in 2023. Various Production Linked Incentive ('PLI') schemes have revived the manufacturing sector post pandemic. They are helping build up critical value chains and industrial clusters, besides expanding the Country's export basket. Overall, the PLI schemes have brought in a new regulatory framework, which can be aligned to address industrial and manufacturing technology deficiencies and improve output. The Government is also contemplating extending the scheme to further sectors, to develop new segments in labour intensive sectors. Services export grew on a year-on-year basis on the back of rising exports of software, business and travel services. The rise in net services exports receipts and softening of the global commodity prices, more than compensated for a slight rise in merchandise trade deficit. This has helped cushion the Current Account Deficit ('CAD'). India's retail inflation for FY2023-24 has seen a significant downturn, marking its lowest point since the onset of the COVID-19 pandemic. Reflecting this trend, the Reserve Bank of India's Monetary Policy Committee ('MPC') in its recent meeting, decided to maintain policy rates at their current levels, citing the ongoing reduction in price pressures across the country.

OPERATIVE VIEW

This report is an integral part of the Directors' Report. Aspects on industry structure and developments, opportunities and threats, outlook, risks and concerns, internal control systems and their adequacy, material developments in human resources and industrial relations have been covered in the Directors' Report.

STEEL INDUSTRY

After two years of volatility, global steel demand is likely to stabilise but growth is expected to remain weak over the next two years, even as the global economy demonstrates remarkable resilience to several headwinds like Russia's invasion of Ukraine, escalating geopolitical uncertainties, high inflation and consequent monetary tightening. During the reporting period, higher interest costs, coupled with tighter credit conditions, weighed heavily on manufacturing and housing in most major markets. Steel demand in China, the largest producer and consumer in the world, remained weak as the country's property sector outlook, along with construction activities, remained bleak. Further, the country's ongoing transition from an investment-stimulated to a consumption driven economic growth model is expected to limit its contribution to global steel demand growth.

In this scenario, India has emerged as an outlier in the global steel industry, with its young, growing and aspiring population offering its economy the labour and consumer strength to drive growth. Further, large untapped opportunities for growth and development across social, industrial, infrastructure, and defence, coupled with continued policy support and structural reforms, bode well for economic growth. Thus, steel demand could outpace economic growth for a sustained period, as the country is in a 'nation building' phase.

OUTLOOK

We had a strong operational and financial performance in FY 2023-24 amidst the challenges faced due to the pandemic. We continue to focus on controllable factors such as resetting cost base through diverse cost optimization initiatives, disciplined capital investments, working capital initiatives, marketing initiatives and volume with strong control measures to ensure safe operations across businesses within framed government and corporate guidelines amidst the pandemic.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RATHI BARS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **RATHI BARS LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These

matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Director is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board

of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are

based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Internal Financial Controls with reference to Standalone Financials Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to standalone financial statements of **RATHI BARS LIMITED** (the “Company”) as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone

financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTE-1

General Information

Rathi Bars Limited ("the Company") is a publicly listed limited company incorporated and domiciled in India under the Companies Act, 2013 ("the Act"). The registered office of the Company is located at A - 24 / 7, Mohan Co-Operative Industrial Estate, Mathura Road, New Delhi 110044. The primary activities of the Company involve the manufacturing, marketing, branding, and distribution of TMT Bars and Low Carbon Billets under the brand name Rathi Shaktiman. To cater to the increasing demand for reinforcement steel bars in the construction sector, the Company has established a steel rolling mill in Khushkhera, Distt. Alwar, Rajasthan.

The standalone financial statements for the year ended March 31, 2024, were duly approved and authorized by the Board of Directors during their meeting held on May 30, 2024.

NOTE-2

BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Preparation, Measurement:

These standalone financial statements ('financial statements') of the Company have been prepared in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

The financial statements are presented in Indian Rupees which is also the functional currency of the Company.

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES:

a. Basis of Accounting:

These financial statements have been prepared under the historical cost convention on the accrual basis. The financial statements are presented in Indian Rupees which is the Company's functional and presentation currency.

b. Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable. The Company recognizes revenues on sale of products, net of discounts, rebates granted, returns, GST and duties when the products are delivered to customer or when delivered to a carrier, which is when significant risks

and rewards of ownership pass to the customer. Revenue from sale of by-products are included in revenue.

c. Property, Plant & Equipment:

On transition to Ind AS, the Company has adopted optional exception under Ind AS 101 to measure Property, Plant and Equipment at carrying value under previous GAAP. Consequently the carrying value has been assumed to be deemed cost of Property, Plant and Equipment on the date of transition.

Subsequently Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Costs include costs of acquisitions or constructions including incidental expenses thereto, borrowing costs, and other attributable costs of bringing the asset to its working condition for its intended use and are net of available duty/tax credits.

Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively.

d. Capital work-in-progress:

Expenditure related to and incurred on implementation of new/expansion-cum-modernisation and up gradation of projects is included under capital work-in-progress until the relevant assets are ready for its intended use.

e. Intangible Assets :

Intangible assets as defined IND AS 38, are initially measured at cost. Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. The useful lives of intangible assets are assessed as either finite or indefinite.

f. Depreciation:

Depreciation is systematically allocated over the useful life of an asset as specified in Part C of Schedule II of Companies Act, 2013.

g. Financial Assets & Financial Liabilities:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument

h. Inventories:

Inventories are stated at the lower of cost and net realisable value.

Cost of raw materials include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of finished goods include cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. Costs of inventories are determined on weighted average basis.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

i. Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

j. Cash and Cash Equivalents:

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.
